**Veterinary Service**

If your cat becomes unwell during his / her stay at Whitehouse cattery we may need to take him/her to the vet. We are fully insured for illnesses which develop during your cat's stay with the exception of urinary tract issues.

If your cat becomes unwell due to any pre existing medical conditions or urinary tract issues owners will be responsible for any charges incurred. Payment would be required upon collection of your cat. We will in any instance notify the owner first or the emergency contact if a vet is required. We will always try to get an appointment with your registered vet, however if this is not possible we are registered with Ashfield house veterinary practice in Long Eaton.

I agree to my cat(s) being treated by a vet if Whitehouse Cattery deems it is necessary and I give my permission to the vet to discuss my cat(s) records / treatment with Whitehouse Cattery.

I have read and agree to the Terms and conditions.
